

Date: July 21, 2022

whom this may concern,

I was excited to see this opportunity, as I believe I am a great fit for the role.

My time at MicrometreUK has given me the experience and learning opportunities needed to succeed. While there, I Managed a

AWS environments, in Ansible, Docker, will be a valuable asset to the company, You can review my attached resume.

Please, don't hesitate to get in touch and schedule and interview if my skills and expertise interest you.

Thank you for your time and consideration of me as a candidate . I look forward to learning more about River Tech and its clients.

Yours Faithfully

John Snow
